Jan BUDKA, Jiří FIKAR, Pavel LHOTÁK

Ivan STIBOR

## PRAGUE

---

Prague is the capital city of the relatively small Czech Republic which lies in the heart of Europe, neighbouring with Germany, Austria, Slovakia and Poland. There is a number of non-stop border crossings available with an

excellent connection by car, bus, train or plane.

To know more about Prague – please visit:

<http://www.prague-czech.cz/index.htm>

## ISMIC 2005

---

### XXX International Symposium on Macrocyclic Chemistry (ISMIC 2005)

will be held in Dresden, Germany from July 17 to July 21, 2005. As both Dresden and Prague are conveniently connected by Intercity trains (2 hrs) it is a good chance to attend both scientific meetings. Moreover, the shuttle service is planned from Dresden to Prague at the weekend between the two meetings.
